TUESDAY'S LONDON GAZETTE.

Admiralty-Office, Aug. 18.

Copy of a letter from the Right Hon. Lord Keith, K. B. dated
on board his Majesty's ship San Josef, off Ushant, the 15th
instant.

SIR,—The Goldfinch has this moment joined me from Basque
Roads, with a dispatch which Sir Home Popham delivered to
Capt. Waller, at St. Andero, on the 9th instant. I lose no
time in transmitting a copy thereof, and congratulate their
Lordships upon the highly satisfactory intelligence that it con-
tains. It is gratifying to observe that the operations of the squa-
dron upon the North coast of Spain have been serviceable to the
army; and that the arrangements made by Sir Home for se-
curing his Lordship's further intentions appear to be judicious.
—I have, &c.

KEITH, Admiral.

Venerable, Harbour of Santander, August, 2, 1812.

I have the honour to enclose, for your Lordship's information,
a copy of a letter which I have just received from Sir Howard
Douglas. I feel a great degree of satisfaction that the Earl of
Wellington should have so handsomely marked his approbation
of the services of the squadron which your Lordship placed under
my orders; and I am not a little happy at having anticipated
the wishes of his Lordship.

HOME POPHAM.

Admiral Lord Keith, K. B. &c.

Medina del Campo, Sunday, August 2, 1812.

The army is advancing, head-quarters at Cuellar. The
enemy is still retreating, having abandoned Valladolid, with 4000
sick and wounded, and stores, ammunition, &c. We are now
a part of the allied army. I had an opportunity, in a long con-
